**Subject:** FW: City of Dallas Questions for XA Editing Lane Plating  
**Attachments:** City of Dallas - Joppa Community GroupREV-.docx; Draft- Reply to questions from District 7 11-29-18 meeting on Lane Plating.doc

I am trying to format the response to questions as a letter before going on leave (Dec 21- Jan 3). We just got final approval from XA, so this is still a draft. When I reviewed the email chain to determine where to send the letter, I thought the best answer might be to send it to Mr. White rather than a single council member. The site has a potential impact to 3 districts so it might be better to send it to the city government rather than a single council member. Also, the city webpage did not list a mailing addresses for individual council members. Ed said he can review the final version from XA and make changes to the letter if needed. If you need to reach me when I am on leave my cell is 972-322-4333. Text me when it is final and I can sign and send from my home.

Lisa,

I am going to be on leave Dec 21 to Jan 4. If we want this to get this letter out before I go on leave we need XAs edits as soon as possible.

Stand by. I have some minor edits but waiting to send to you until David has a look. I would think the RPM, as the primary POC for the site, would send to the City.

Diane and Lisa,

Please find the attached edited and approved questions and answers to the City of Dallas request after Councilman Felder's monthly meeting. Please edit if necessary and approve. There are a few questions that were added on top of the original request that I took down when I staffed the meeting.

I am not sure who needs to forward along to the city, but I am available for further assistance if necessary. You can find the original request from the city below.

Thanks,

-Ed-

**Subject:** RE: District 7 Community Meeting w/ EPA (Lane Plating) - Joppa 11-29-18

All,

I'm extending you invitations to our City Council meeting tomorrow at 9am. There is a resident on the agenda who will talk about Lane Plating. I'm prepared to answer questions on the City's behalf. It may be beneficial if someone from the EPA is in attendance.

Thank you,
